

# TIP LAMP

FURNITURE / LIGHTING / ACCESSORIES

**JENS FAGER ON THE DESIGN TIP** is a simplistic and friendly lamp featuring a characteristic architectural silhouette. During the design process, we focused on polishing every single detail, and the lamp's functionality. I wanted to reduce the lamp's design to the very essence of its purpose - intending to create a product that anyone would understand and be able to use in their daily lives. The molded aluminum material gives TIP a clean and precise look, highlighting its appearance of quality.
