

# Vardags

SOLID BIRCH CHAIR

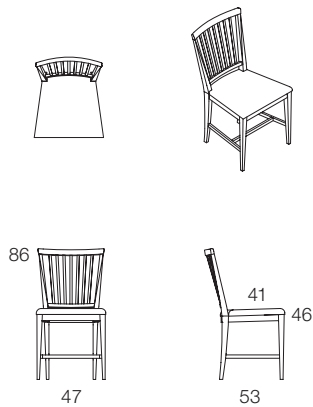

DESIGN: CARL MALMSTEN

9010

#### SCALE 1:50

#### DETAILS

1. Homogeneous meeting between the crossbar and the back legs.
2. Each back pin is uniquely shaped.
3. The back legs are slanted in two places, giving the chair its attractive, finished character.
4. Corner blocks in the seat increase stability and durability.

#### FACTS VARDAGS
